Editorial

Only one more newsletter to go until we visit Berri. There is a lot of organising being undertaken to ensure that everyone gets the most out of this national rally. Merchandise is now available for ordering. Please complete the attached order form and return with details of payment to willi4@westnet.com.au before the end of October to ensure that we can fulfil your requests.

The meals order form will be sent separately due to some last minute fine tuning.

For any interstate entrants please be aware that South Australia has very strict fruit fly quarantine on fruit and vegetables brought into the state. Fruit NOW has to be disposed of prior to reaching the quarantine station at Yamba. Fines are from \$375.

Due to council regulations the riverbank area has been declared a dry zone.

If there are any changes to the vehicle entered please let Graham Dixon know by emailing correct details to morris2020rally@gmail.com

Choir Singers

Calling all Choir Singers for Church Service.

If you would like to be a part of the Choir for the Easter Sunday morning service, please contact me by email- brontethomas@gmail.com or mobile - 0407 844 886 and I will send you the music. We will have our one and only practice just prior to the church service. Hoping to hear from you in due course.

Blessings. Bronte Thomas.

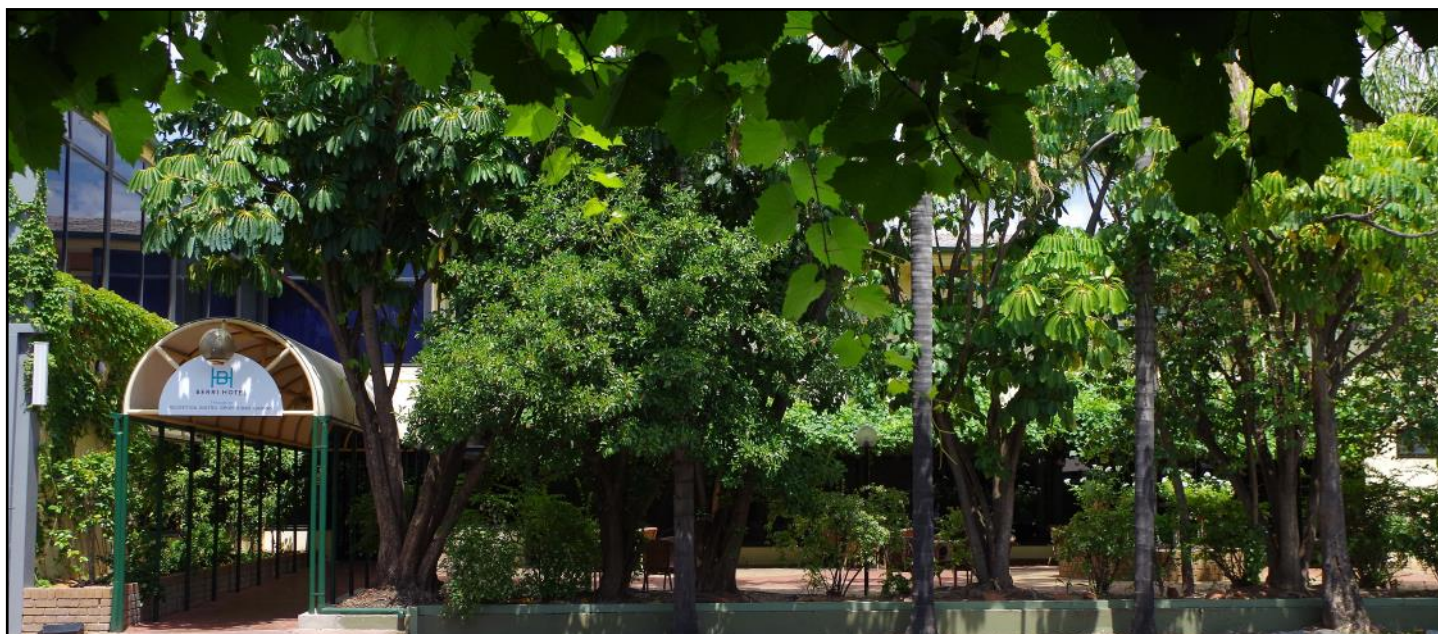

Chairman's Report

There is not a great deal for me to say at this stage. Everything is going to schedule, thanks to all the effort put in by the other committee members.

Included in this newsletter is the memorabilia order form, please fill it in, and return it to us by the required date. If you are paying by bank transfer, please include your Name and Vehicle Registration Number on the form and on the transfer details. Please keep a copy of this form, because although nobody ever forgets, we might make a mistake.

Also note that 50% deposits for the Caravan Park accommodation is required by the end of November, these deposits go direct to caravan park, not the Morris Register of South Australia.

Also for everybody. The Riverland is a Fruit Fly exclusion zone, new regulations came into effect in January 2019, and anybody entering the area with fresh fruit or vegetables is liable for a fine of up to \$375.00.

Accommodation Report

Please check out Berri Banter 1 and 2 for information about accommodation in Berri. Should you no longer have a copy, you will find them via links on the Rally Updates page of the South Australian Morris Register website (morrisregistersa.org).

The Berri Riverside Holiday Park has had a lot of bookings. If you are still needing to book Call 08 85823723 and ask for Merle Venter, the manager or email: manager@berriholidaypark.com.au. The Group Stay accommodation is now open for individual room bookings. There is more information about it on the SA Register website.

The Berri Riverside Caravan Park requires a deposit of 50% to be paid by the end of November.

The Berri Hotel (site of our rally headquarters) has rooms available at special reduced prices for the rally and can be contacted at 08 8582 1411. So too does the Big River Motor Inn contactable at 08 8582 2688.

If you have already booked at these places, they will be holding your card number and there is no need for a deposit.

The Big River Motor Inn and the Berri Riverside Holiday Park have space for trailers to be parked and Rosenthal Automotive is very kindly offering secure trailer parking. I will be able to provide access to your trailer should you need it over Easter. The trailer parking is not undercover.

When booking any accommodation, it's important to say you are attending the Morris Registers' National Rally.

If you have difficulties with accommodation and think I may be able to help, my contact details are on the inside cover of Berri Banter.

Regards,

Brian Ford

Entries to Date

Welcome Morris Registers National Rally entrants. As of early September 2019 there have been 110 paid entries.

The table below lists the breakdown of paid entries in alphabetical order by state and territory.

If you are thinking of coming to Berri for the 22nd National Rally please get your entry in by 30th November 2019. It's getting closer.

Hope to see you at the rally.

Regards

Graham Dixon

Army Moke

One of the vehicles that will be at our National Rally in Berri is this unique Moke. Although strictly not a Nuffield vehicle it has Nuffield/BMC lineage, an interesting history and a strong South Australian connection. John and Annette Brooksmith have kindly supplied the following information and we urge others to submit details of the vehicle they are bringing for inclusion in the next Berri Banter.

"Army Mokes are very rare - out of about 40,000 Mokes built only 316 went to Army service in Australia. They were designed originally only for the the UK Army, but the UK Army rejected them as being unsuitable so Leyland had to find a use for them in the civilian market and that made Mokes a cult car in the 70s. Probably no other Army bought them and there is one Army Moke in Sydney, one in Gippsland Victoria, and the rest of the remaining ones are in sheds as people say "they are rare, put them in the shed for later" - ours goes out and gets shown off for what it is!

Our Moke was made by Leyland in Sydney in 1975 as part of 316 Mokes made especially for the Australian Army. The Army wanted some trailers for their Moke fleet so they made 90 trailers in the Army workshops in Maribyrnong, near Melbourne around the same time. We have trailer No. 39, but we won't be bringing the trailer to the rally, but interestingly it was purchased from a Rifle Club at Berri (You must know where that is A real bit of South Australian History!).

This Moke served with the Australian Army in Keswick SA from 1975 to 1979. The Army purchased their Mokes in 5 separate batches, and this vehicle was in the 3rd batch. There is also another from this 3rd batch, and an Army Moke trailer, in the Army Museum in Bandiana Wodonga Victoria".
